§51-6.1 Direct order process.

- (a) Once a commodity or service is added to the Procurement List, the central nonprofit agency may authorize the contracting activity to issue orders directly to a nonprofit agency without requesting an allocation for each order. This procedure is known as the direct order process.
- (b) In these cases, the central nonprofit agency shall specify the normal leadtime required for orders transmitted directly to the nonprofit agencies. This method shall be used whenever possible since it eliminates double handling and decreases the time required for processing orders.
- (c) An order for commodities or services shall provide leadtime sufficient for purchase of materials, production or preparation, and delivery or completion.
- (d) The central nonprofit agency shall keep the contracting activity informed of any changes in leadtime experienced by its nonprofit agencies in order to keep to a minimum requests for extensions once an order is placed. Where, due to unusual conditions, an order does not provide sufficient leadtime, the central nonprofit agency or the individual nonprofit agency may request an extension of delivery or completion date which should be granted, if feasible. If extension of delivery or completion date is not feasible, the contracting activity shall:
- (1) Notify the central nonprofit agency and the individual nonprofit agency(ies) as appropriate.
- (2) Request the central nonprofit agency to reallocate or to issue a purchase exception authorizing procurement from commercial sources as provided in §51–5.4 of this chapter.
- (e) The contracting activity shall promptly provide to the central non-profit agency concerned a copy of all orders issued to nonprofit agencies.
- (f) The written direct order authorization remains valid until it is revoked by the central nonprofit agency.

§51-6.2 Allocation process.

(a) In those cases where a direct order authorization has not been issued as described in §51–6.1, the contracting activity shall submit written requests for allocation to the appropriate central nonprofit agency indicated by the Procurement List at the address listed below:

- (d) When a commodity on the Procurement List also appears on the Federal Prison Industries' "Schedule of Products," the contracting activity shall obtain clearance from the Federal Prison Industries prior to requesting an allocation or placing an order directly to the nonprofit agency(ies).
- (e) The central nonprofit agency shall make allocations to the appropriate nonprofit agency(ies) upon receipt of a request from the contracting activity and instruct that the orders be forwarded to the central nonprofit agency or direct to the nonprofit agency(ies) with a copy provided promptly to the central nonprofit agency.
- (f) Central nonprofit agencies shall reply promptly to requests for allocation.
